GARDEN SCHOOL NEWS

Thursday, December 14 will be our Primary Arts Night (Grades 1-3) from 6:15-7:30pm. Everyone is welcome to come out and see the amazing art that our primary students have been working on! Please be reminded that there will be no primary choir concert this year as the primaries have been hard at work on "The Lion King" musical. We will be sending out a flyer this week will more information.

Thank you to our fabulous Robotics Coaches (Ms. Umezawa, Ms. Childs, Ms. Hritzun and Ms. Cox) for their hard work supporting our two Robotics teams. I think that this club has inspired so much learning for both students and teachers. The FLL meet will be next Saturday December 9th at Runnymede C.I. Thank you to everyone for your participation in making this club work and special thank you to our School Council!! Go team "Waterbots" "Robaters"!!

Next Tuesday begins our Toronto Public Health (T.P.H.) dental program for all students from Junior Kindergarten to Grade 8. The dental program helps to identify children with oral health problems, a screening program and is offered to students in accordance with the Ontario Ministry of Health requirements for mandatory health programs. The dental hygienist will assess the need for topical fluoride, scaling, sealant and any other obvious dental needs.

As a follow up to the screening, only parents whose children are identified as requiring dental services will be notified. A note to that effect will be sent home with your child/ren for your information and action. You may also receive a phone call from T.P.H. dental staff to assist you in accessing care.

If you do not wish your child/ren to be screened, please inform Celia in the office by Tuesday December 5th in the AM. Thanks so much for your support.

Ms. Hardy

"Success is not final, failure is not fatal: it is the courage to continue that counts." Winston S. Churchill
