Dear Parents/Guardians

Good news!!! We are getting a new gym floor. Work on the new floor will begin on Tuesday September 22, 2015. That means the gym will be off limits until the floor is completed which we have been told should be approximately a week. In order to accommodate this construction we will have to change our lunchroom routine. We are hoping that this beautiful fall weather will continue and we will be able to have picnic lunches outside. Please continue to send a litter less lunch and remember we are practicing the Boomerang Program in order to: Allow parents to see what their children have eaten, what goes back home and reduce the garbage burden at the school. Thank you for your co-operation in this matter and if you have any questions come ask in the office.

Alana Hardy
