

## Garden's Curriculum Night Kindergarten-Grade 6

**Thursday October 6, 2016**

Curriculum night provides an opportunity for parents to visit the classrooms and learn as the teacher shares information such as classroom routines and homework expectations. It is also a time to learn about the curriculum.

***If you need to speak to the classroom teacher about your child's individual progress, please schedule a meeting at another time.***

Curriculum documents may be accessed at
