GARDEN SCHOOL NEWS

Progress Reports will be handed out to students on Tuesday November 15th. Parents will be receiving a letter or communication from each classroom teacher as to what their individual interview schedule will be. If you have more than one child at our school please do not hesitate to talk to your child's teacher about organizing sibling's interview in a way that will work for you and your family. Please remember that regular parent-teacher communication is an important part of your child's learning. These interviews are your opportunity to ask questions about your child's progress and to discuss any issues. In addition to regular scheduled parent-teacher interviews, you can request a meeting at any time during the school year by contacting our school or your child's teacher directly.

Please remember to check out our lost and found area at the East Entrance. In this lovely Fall weather we have seen an enormous number of sweaters and coats finding their way into the lost and found. Please be sure to stop by and check to see if anything belongs to you before they are gone.

Ms. Hardy

"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around."

— Leo Buscaglia
