GARDEN SCHOOL NEWS

Progress Reports will be handed out to students on Tuesday November 15th. Parents will be receiving a letter or communication from each classroom teacher as to what their individual interview schedule will be. If you have more than one child at our school please do not hesitate to talk to your child's teacher about organizing sibling's interview in a way that will work for you and your family.

Please remember that regular parent-teacher communication is an important part of your child's learning. These interviews are your opportunity to ask questions about your child's progress and to discuss any issues. In addition to regular scheduled parent-teacher interviews, you can request a meeting at any time during the school year by contacting our school or your child's teacher directly.

Thank you so much to our grade 5/6 class under the guidance of Ms. Umezawa and Ms. Zamperio for their participation and leadership in our moving Remembrance Day assembly. During the assembly we were provided with a wonderful history of Vimy Ridge as well as the Vimy Oaks repatriation project. A great big thank you to Linda Granfield who visited our school this week to share her wonderful new book Vimy Oaks a Journey to Peace.
