### GARDEN SCHOOL NEWS

Thank you to everyone who supported and contributed to Garden's production of The Lion King. It really was a beautiful collaboration and whole community effort.

Thank you to every single parent who helped out with everything from costume making, to set design, to lightening, to set up, to music and to everything else behind the scenes that I may have missed. Thank you. Your hard work is so appreciated.

Thank you to Mr. Goetz, Ms. Schultz, Ms. Hritzun and to our student teachers, Gina and Rachel, for all your help getting the students on and off the stage and keeping them focused and ready to perform.

A huge thank you to Ms. Zampiero, our fearless director, and Victoria our assistant director, who worked tirelessly week after week, lunch after lunch and class after class preparing our grade 1 to 3 students for the big event.

Most of all thank you to each and every student who participated. You are all amazing, fearless and talented. May this be just the beginning of your adventures in musical theatre. Can you feel the love tonight? I certainly can!!

If any parent has pictures especially of the full class could you please get in touch with Madelaine Cruickshank chair of the School Council or the school office. We are trying to make a collection of photos to preserve some of the memories of the night.
